**VOLUNTARY SUBMISSION OF SUBSTITUTE SPECIFICATION
UNDER 37 C.F.R. § 1.125**

Assistant Commissioner for Patents
Washington, DC 20231

Dear Sir:

Applicants respectfully request that the attached specification be used as a substitute for the original specification as filed. It is respectfully submitted that the original specification is a direct literal translation of the German priority document and, accordingly, is not in proper idiomatic English. The attached substitute specification is in proper idiomatic English and is in compliance with 37 C.F.R. §1.52(a) and (b).

Applicants respectfully submit that the number and nature of the amendments that would be needed to put the

original specification into proper idiomatic English would render it difficult to consider the application and to arrange the papers for printing and copying. Accordingly, the attached substitute specification is submitted. By entering the enclosed substitute specification, the Office will receive the advantage of saving the time needed to enter the amendments into the specification and, further, realize a reduction in the number of printing errors that may arise.

Applicants respectfully submit that the attached substitute specification includes no new matter.

Respectfully submitted,

**FAY, SHARPE, FAGAN,
MINNICH & MCKEE, LLP**
